

LightForm™ 10" Multi-Purpose Strips

Product Information Sheet

LIGHTFORM™

LightForm™
The World's First Flexible LED Lighting Film

Flexible LED lighting technology allows for easy installation around objects, on a curve and in tight spots. The only limit is your imagination.

PRODUCT FEATURES AND BENEFITS

- Cut-To-Fit™ technology lets you put light in new places and tight spaces
- Water and weather resistant, a robust and reliable light source
- Easy-peel adhesive back allows for semi-permanent installation on virtually any clean surface
- Brightness consistent throughout length - no hot spots (comes in red, yellow, blue and green)
- Super-low profile (less than 1 mm thick!)
