

# Trilliant™ LED WhiteLight™ Driving Kit

## Product Information Sheet

- The Kit consists of all of the lighting, harnessing, switch box and mounting necessary to equip each particular vehicle with a driving light kit
- Bright LED lights produce peak intensities of over 160,000 candela per lamp
- Offers color temperature that provides a natural contrast most like sunlight, reducing eye fatigue and optimizing drive performance while assisting identification of suspect articles
- Long lasting high output white LED work lamp
- Field tested in brutal off-road applications
- "Aim-N-Go" technology requires no tools for horizontal adjustments
- Beam pattern can be changed with optional replacement lens
