NOW 2 MOUNTING STYLES

GROTE 6 INCH OVAL STROBE & STOP LAMPS
BRACKET OR GROMMET MOUNT

GROTE COMPACT AUXILIARY STROBE & STOP LAMPS
SURFACE MOUNT

IT'S SIMPLE. RESEARCH SHOWS THAT IMPROVED VISIBILITY PREVENTS ACCIDENTS¹.

Outfitting your fleet with Grote's new Auxiliary Strobe & Stop Lamp may reduce the risk of rear-end collisions by more than a third.²

Those are the findings by an independent carrier based on a recent study conducted over a two-and-a-half-year period. Results indicate that by installing a pulsating amber brake light on the back of a fleet of tanker trailers, rear-end collisions were reduced by 33.7%.²

↓33.7%

REDUCED REAR-END ACCIDENTS
