

OEM-SPEC PREMIUM GLADHANDS FROM GROTE

MATERIAL: ALUMINUM CASTING
FINISH: POWDER COATED
SEAL MATERIAL: POLYURETHANE
STANDARDS: SAE J1318™

Stainless-Steel Filter Screen to prevent unwanted objects or insects clogging your air lines

Premium Grey Polyurethane Seal with dust flaps – for an air-tight seal, longer life and protection from invasive objects

Powder Coated Aluminum Body and Stainless-Steel Clasp Plate for corrosion protection and easy identification in all weather conditions

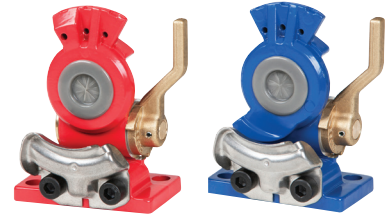

STAINLESS-STEEL FILTER SCREEN
 Filter screens prevent dirt, unwanted objects or insects clogging your air lines, and improved wear resistance lengthens service life.

GROTE'S HIGHEST QUALITY, PROFESSIONAL-GRADE GLADHANDS

Grote's OEM-Spec premium gladhands provide superior protection from corrosion, blocked air lines and costly downtime!

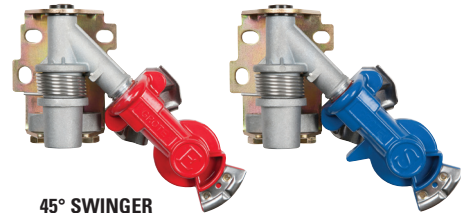

STANDARD

SHUTOFF
