98480	6" Oval Chrome Surface Mount Bezel		

S-Link is a Trademark of Star1889 Headlight & Lantern Co.

***S-LINK TECHNOLOGY:** S-Link System is a proprietary technology that will allow similar S-Link products to be synchronized. This would allow for a user to define the flash patterns on multiple devices for a customized, tailored look on a vehicle. Note: Only S-Link compatible products can be synchronized together. Refer to user installation manuals for details on S-Link Synchronization.
