MAXIMIZE SALES

IMPROVE PROFITABILITY

RETAIL READY

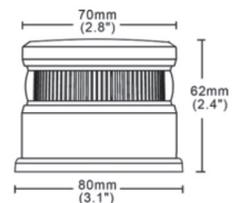

EFFICIENT SIZE

Simply order 18 units and receive a ready-to-merchandise carton that keeps product organized, visible, and easy for customers to pick up. The eye-catching packaging helps drive impulse purchases while presenting the product cleanly and professionally in your store.

FEATURES & BENEFITS

- **Three flash patterns:** Rotation (SAE Class I / SAE Class II), SOS Flash, and Steady-On
- **Ultra-compact rechargeable design** delivers powerful warning performance in a small package
- **USB Type-C charging** recharges in approximately 2 hours
- **IP65-rated aluminum alloy housing** for dependable operation in rain and dust
- **Powerful magnetic base** mounts instantly and securely to metal surfaces
- **Wide operating temperature range** for reliable performance in extreme climates

RETAIL-READY DISPLAY

Give customers a safety solution they can see—and grab. This ultra-compact rechargeable LED warning beacon is packaged in a bright, full-color retail display carton designed to stand out on counters, shelves, and point-of-purchase displays.

ORDER 18 UNITS. RECEIVE THE RETAIL DISPLAY CARTON. PUT IT ON THE COUNTER AND START SELLING.
