## FEATURES & BENEFITS

- Newly reengineered to produce 50% more light, Grote's lights bars now feature a new, combination flood/spot pattern.
- Grote light bars are easier on vehicle electrical systems because they run cooler and use less power than halogen or HID lamps of the same output.
- Enjoy multiple mounting options with the included pedestal or side brackets.
- The bar lamps are built to withstand extreme heat or cold.
- Available in 10", 20", and 30" lengths. Outfit your vehicle with great looking light bars that pack a punch.
